

COPYRIGHT POLICY

No part of *GeneWatch* may be reproduced in any form by any means, electronic or mechanical (including photocopying, recording or information storage and retrieval) without permission in writing from the publisher. Copying for purposes other than reasonable personal use or internal reference, or reproduction of articles or columns not owned by *GeneWatch* (including reprints) without written permission of *GeneWatch* or the copyright owner is expressly forbidden.

Permission to reproduce *GeneWatch* articles or other intellectual property may require payment of a fee. The Council for Responsible Genetics can only grant permission to reprint or reproduce work that has been originally produced by its staffers or contributors. We cannot grant permission to reproduce any article which is a reprint from another source because we do not hold the copyright to those works.

REQUESTS FOR PERMISSION

All requests for permission to reprint or reproduce articles published in *GeneWatch* must be submitted in writing and should contain the following information:

1. The TITLE OF THE ARTICLE to be reprinted or reproduced;
2. The DATE, VOLUME and ISSUE the article was published in *GeneWatch*;
3. The NAME of the author who wrote the article;
4. The SPECIFIC USE of the reprinted or reproduced material (i.e., personal handouts, flyers, newsletter, book, magazine, Web site, etc.);
5. Whether or not any REVENUE will be generated by you or your organization by the use of the article.
